PART II

"Gencon" Charter (As Revised 1922, 1976 and 1994)

1. It is agreed between the party mentioned in Box 3 as the Owners of the Vessel named in Box 5, of the GT/NT indicated in Box 6 and carrying about the number of metric tons of deadweight capacity all told on summer loadline stated in Box 7, now in position as stated in Box 8 and expected ready to load under this Charter Party about the date indicated in Box 9, and the party mentioned as the Charterers in Box 4 that:
The said Vessel shall, as soon as her prior commitments have been completed, proceed to the loading port(s) or place(s) stated in Box 10 or so near thereto as she may safely get and lie always afloat, and there load a full and complete cargo (if shipment of deck cargo agreed same to be at the Charterers' risk and responsibility) as stated in Box 12, which the Charterers bind themselves to ship, and being so loaded the Vessel shall proceed to the discharging port(s) or place(s) stated in Box 11 as ordered on signing Bills of Lading, or so near thereto as she may safely get and lie always afloat, and there deliver the cargo.
2. **Owners' Responsibility Clause**
The Owners are to be responsible for loss of or damage to the goods or for delay in delivery of the goods only in case the loss, damage or delay has been caused by personal want of due diligence on the part of the Owners or their Manager to make the Vessel in all respects seaworthy and to secure that she is properly manned, equipped and supplied, or by the personal act or default of the Owners or their Manager.
And the Owners are not responsible for loss, damage or delay arising from any other cause whatsoever, even from the neglect or default of the Master or crew or some other person employed by the Owners on board or ashore for whose acts they would, but for this Clause, be responsible, or from unseaworthiness of the Vessel on loading or commencement of the voyage or at any time whatsoever.

Neither the Owners nor their agents shall be required to sign or endorse bills of lading showing freight prepaid unless the freight due to the Owners has actually been paid.
(c) On delivery. If according to Box 13 freight, or part thereof, is payable at destination it shall not be deemed earned until the cargo is thus delivered. Notwithstanding the provisions under (a), if freight or part thereof is payable on delivery of the cargo the Charterers shall have the option of paying the freight on delivered weight/quantity provided such option is declared before breaking bulk and the weight/quantity can be ascertained by official weighing machine, joint draft survey or tally.

5. **Loading/Discharging**

The Charterers shall be responsible for and pay the cost of removing their dunnage after discharge of the cargo under this Charter Party and time to count until dunnage has been removed.
(b) Cargo Handling Gear
Unless the Vessel is gearless or unless it has been agreed between the parties that the Vessel's gear shall not be used and stated as such in Box 15, the Owners shall throughout the duration of loading/discharging give free use of the Vessel's cargo handling gear and of sufficient motive power to operate all such cargo handling gear. All such equipment to be in good working order. Unless caused by negligence of the stevedores, time lost by breakdown of the Vessel's cargo handling gear or motive power - pro rata the total number of cranes/winches required at that time for the loading/discharging of cargo under this Charter Party - shall not count as laytime or time on demurrage. Crane-men/winchen shall be under the Charterers' risk and responsibility and as stevedores to be deemed as their servants but shall always work under the supervision of the Master.

Laytime or time on demurrage shall then count as if she were in berth and in all respects ready for loading/discharging provided that the Master warrants that she is in fact ready in all respects. Time used in moving from the place of waiting to the loading/discharging berth shall not count as laytime.

reasonable judgement of the Master and/or the Owners, performance of 264
the Contract of Carriage, or any part of it, may expose, or is likely to expose, 265
the Vessel, her cargo, crew or other persons on board the Vessel to War 266
Risks, the Owners may give notice to the Charterers cancelling this 267
Contract of Carriage, or may refuse to perform such part of it as may 268

completed, that, in the reasonable judgement of the Master and/or the 285
Owners, the Vessel, her cargo (or any part thereof), crew or other persons 286
on board the Vessel (or any one or more of them) may be, or are likely to be, 287
exposed to War Risks. If it should so appear, the Owners may by notice 288
request the Charterers to nominate a safe port for the discharge of the 289
cargo or any part thereof, and if within 48 hours of the receipt of such 290
notice, the Charterers shall not have nominated such a port, the Owners 291
may discharge the cargo at any safe port of their choice (including the port 292
of loading) in complete fulfilment of the Contract of Carriage. The Owners 293
shall be entitled to recover from the Charterers the extra expenses of such 294

Owners, the Vessel, her cargo, crew or other persons on board the Vessel 304
may be, or are likely to be, exposed to War Risks on any part of the route 305
(including any canal or waterway) which is normally and customarily used 306
in a voyage of the nature contracted for, and there is another longer route 307
to the discharging port, the Owners shall give notice to the Charterers that 308
this route will be taken. In this event the Owners shall be entitled, if the total 309
extra distance exceeds 100 miles, to additional freight which shall be the 310
same percentage of the freight contracted for as the percentage which the 311
extra distance represents to the distance of the normal and customary 312

the Owners are subject, and to obey the orders and directions of those who 329
are charged with their enforcement; 330

render the Vessel liable to confiscation as a contraband carrier; 332

Owners under any provisions of this Clause, to load other cargo for the 337
Owners' own benefit and carry it to any other port or ports whatsoever, 338

BIMCO Standard Grain Voyage Charter Party
Code Name: GRAINCON

August 1924 ("the Hague Rules") as amended by the Protocol signed at Brussels on 23 February 1968 ("the Hague-Visby Rules") and as enacted in the country of shipment shall apply to this Charter Party. When the Hague-Visby Rules are not enacted in the country of shipment, the corresponding legislation of the country of destination shall apply, irrespective of whether such legislation may only regulate outbound shipments. When there is no enactment of the Hague-Visby Rules in either the country of shipment or in the country of destination, the Hague-Visby Rules shall apply to this Charter Party save where the Hague Rules as enacted in the country of shipment or if no such enactment is in place, the Hague Rules as enacted in the country of destination, compulsorily applicable to shipments, in which case the provisions of such Rules shall apply. The Protocol signed at Brussels on 21 December 1979 ("the SDR Protocol 1979") shall apply where the Hague-Visby Rules apply, whether mandatorily or by this Charter Party. The Owner shall in no case be responsible for loss of or damage to cargo arising prior to loading, after discharging or while the cargo is in the charge of another carrier, or with respect to deck cargo and live animals.

35. Mutual Exceptions

Save to the extent otherwise in this Charter Party expressly provided, neither party shall be responsible for any loss or damage or delay or failure in performance hereunder resulting from Act of God, war, civil commotion, quarantine, arrest or restraint of princes, rulers and peoples or any other events whatsoever which cannot be avoided or guarded against.

36. Both-to-Blame Collision Clause

If the liability for any collision in which the Vessel is involved while performing this Charter Party falls to be determined in accordance with the laws of the United States of America, the following clause shall apply:

"If the Vessel comes into collision with another vessel as a result of the negligence of the other vessel and any act, neglect or default of the master, mariner, pilot or the servants of the Owners in the navigation or in the management of the Vessel, the owners of the goods carried hereunder will indemnify the Owners against all loss or liability to the other or non-carrying vessel or her owners in so far as such loss or liability represents loss of or damage to or any claim whatsoever of the owners of the said goods, paid or payable by the other or non-carrying vessel or her owners to the owners of the said goods and set off, recouped or recovered by the other or non-carrying vessel or her owners as part of their claim against the carrying Vessel or Owners.

The foregoing provisions shall also apply where the Owners, operators or those in charge of any vessel or vessels or objects other than, or in addition to, the colliding vessels or objects are at fault in respect to a collision or contact."

The Charterers shall procure that all Bills of Lading issued under this Charter Party shall contain the same clause.

37. General Average/New Jason Clause

General Average shall be adjusted according to the York/Antwerp Rules 1994 and any subsequent modification thereof and shall be settled in Where the adjustment is made in accordance with the law and practice of the United States of America, the following clause shall apply:

"In the event of accident, danger, damage or disaster before or after commencement of the voyage, resulting from any cause whatsoever, whether due to negligence or not, for the consequences of which, the Owners are not responsible, by Statute, contract or otherwise, the goods, shippers, consignees or owners of the goods shall contribute with the Owners in general average to the payment of any sacrifices, losses or expenses of a general average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the goods.

If a salving vessel is owned or operated by the Owners, salvage shall be paid for as fully as if the said salving vessel or vessels belonged to strangers. Such deposit as the Owners or their agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the goods, shippers, consignees or owners of the goods to the Owners before delivery."

The Charterers shall procure that all Bills of Lading issued under this Charter Party shall contain the same clause.

38. War Risks ("Voywar 1993")

(a) For the purpose of this Clause, the words:

(i) "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and

(ii) "War Risks" shall include any war (whether actual or threatened), act of war, civil war, hostilities, revolution, rebellion, civil commotion, warlike operations, the laying of mines (whether actual or reported), acts of piracy, acts of terrorists, acts of hostility or malicious damage, blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever), by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Vessel, her cargo, crew or other persons on board the Vessel.

(b) If at any time before the Vessel commences loading, it appears that, in the reasonable judgement of the Master and/or the Owners, performance of the Charter Party, or any part of it, may expose, or is likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks, the Owners may give notice to the Charterers cancelling this Charter Party, or may refuse to perform such part of it as may expose, or may be likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks; provided always that if this Charter Party provides that loading or discharging is to take place within a range of ports, and at the port or ports nominated by the Charterers the Vessel, her cargo, crew, or other persons on board the Vessel may be exposed, or may be likely to be exposed, to War Risks, the Owners shall first require the Charterers to nominate any other safe port which lies within the range for loading or discharging and may only cancel this Charter Party if the Charterers shall not have nominated such safe port or ports within 48 hours of receipt of notice of such requirement.

BIMCO Standard Grain Voyage Charter Party
Code Name: GRAINCON

(c) The Owners shall not be required to continue to load cargo for any voyage, or to sign Bills of Lading for any port or place, or to proceed or continue on any voyage, or on any part thereof, or to proceed through any canal or waterway, or to proceed to or remain at any port or place whatsoever, where it appears, either after the loading of the cargo commences, or at any stage of the voyage thereafter before the discharge of the cargo is completed, that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo (or any part thereof), crew or other persons on board the Vessel (or any one or more of them) may be, or are likely to be, exposed to War Risks. If it should so appear, the Owners may by notice request the Charterers to nominate a safe port for the discharge of the cargo or any part thereof, and if within 48 hours of the receipt of such notice, the Charterers shall not have nominated such a port, the Owners may discharge the cargo at any safe port of their choice (including the port of loading) in complete fulfilment of the Charter Party. The Owners shall be entitled to recover from the Charterers the extra expenses of such discharge and, if the discharge takes place at any port other than the loading port, to receive the full freight as though the cargo had been carried to the discharging port and if the extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route, the Owners having a lien on the cargo for such expenses and freight.

(d) If at any stage of the voyage after the loading of the cargo commences, it appears that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo, crew or other persons on board the Vessel may be, or are likely to be, exposed to War Risks on any part of the route (including any canal or waterway) which is normally and customarily used in a voyage of the nature contracted for, and there is another longer route to the discharging port, the Owners shall give notice to the Charterers that this route will be taken. In this event the Owners shall be entitled, if the total extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route.

(e) The Vessel shall have liberty:-

- (i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery or in any way whatsoever which are given by the Government of the Nation under whose flag the Vessel sails, or other Government to whose laws the Owners are subject, or any other Government which so requires, or any body or group acting with the power to compel compliance with their orders or directions;
 - (ii) to comply with the orders, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance;
 - (iii) to comply with the terms of any resolution of the Security Council of the United Nations, any directives of the European Community, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;
 - (iv) to discharge at any other port any cargo or part thereof which may render the Vessel liable to confiscation as a contraband carrier;
 - (v) to call at any other port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment or other sanctions;
 - (vi) where cargo has not been loaded or has been discharged by the Owners under any provisions of this Clause, to load other cargo for the Owners' own benefit and carry it to any other port or ports whatsoever, whether backwards or forwards or in a contrary direction to the ordinary or customary route.
- (f) If in compliance with any of the provisions of sub-clauses (b) to (e) of this Clause anything is done or not done, such shall not be deemed to be a deviation, but shall be considered as due fulfilment of the Charter Party.

39. Address Commission

An address commission of per cent. on gross freight, deadfreight and demurrage is due to Charterers at the time freight and/or demurrage is paid, Vessel lost or not lost, Charterers having the right to deduct such commission from payment of freight and/or demurrage.

40. Brokerage

A brokerage of per cent. on gross freight, deadfreight, and demurrage is payable by the Owners to (broker(s) name) at the time of receiving freight payment and/or demurrage payment(s), Vessel lost or not lost. In case of non-execution, one third of the brokerage on the estimated amount of freight to be paid by the party responsible for such non-execution to the Brokers as indemnity for the latter's expenses and work. In case of more voyages the amount of indemnity to be agreed.

41. Notices

- (a) All notices given by either party or their agents to the other party or their agents in accordance with the provisions of this Charter Party shall be in writing.
- (b) For the purposes of this Charter Party, "in writing" shall mean any method of legible communication. A notice may be given by any effective means including, but not limited to, cable, telex, fax, e-mail, registered or recorded mail, or by personal service.

42. Dispute Resolution Clause

*(a) This Charter Party shall be governed by and construed in accordance with English law and any dispute arising out of or in connection with this Charter Party shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary to give effect to the provisions of this Clause. The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced.

BIMCO Standard Grain Voyage Charter Party
Code Name: GRAINCON

The reference shall be to three arbitrators. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within 14 calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the 14 days specified. If the other party does not appoint its own arbitrator and give notice that it has done so within the 14 days specified, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be binding on both parties as if he had been appointed by agreement.

Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.

In cases where neither the claim nor any counterclaim exceeds the sum of US\$50,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.

*(b) This Charter Party shall be governed by and construed in accordance with Title 9 of the United States Code and the Maritime Law of the United States and any dispute arising out of or in connection with this Charter Party shall be referred to three persons at New York, one to be appointed by each of the parties hereto, and the third by the two so chosen; their decision or that of any two of them shall be final, and for the purposes of enforcing any award, judgement may be entered on an award by any court of competent jurisdiction. The proceedings shall be conducted in accordance with the rules of the Society of Maritime Arbitrators, Inc.

In cases where neither the claim nor any counterclaim exceeds the sum of US\$50,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the Shortened Arbitration Procedure of the Society of Maritime Arbitrators, Inc. current at the time when the arbitration proceedings are commenced.

*(c) This Charter Party shall be governed by and construed in accordance with the laws of the place mutually agreed by the parties and any dispute arising out of or in connection with this Charter Party shall be referred to arbitration at a mutually agreed place, subject to the procedures applicable there.

(d) Notwithstanding 42(a), 42(b) or 42(c) above, the parties may agree at any time to refer to mediation any difference and/or dispute arising out of or in connection with this Charter Party.

In the case of a dispute in respect of which arbitration has been commenced under 42(a), 42(b) or 42(c) above, the following shall apply:-

- (i) Either party may at any time and from time to time elect to refer the dispute or part of the dispute to mediation by service on the other party of a written notice (the "Mediation Notice") calling on the other party to agree to mediation.
- (ii) The other party shall thereupon within 14 calendar days of receipt of the Mediation Notice confirm that they agree to mediation, in which case the parties shall thereafter agree a mediator within a further 14 calendar days, failing which on the application of either party a mediator will be appointed promptly by the Arbitration Tribunal ("the Tribunal") or such person as the Tribunal may designate for that purpose. The mediation shall be conducted in such place and in accordance with such procedure and on such terms as the parties may agree or, in the event of disagreement, as may be set by the mediator.
- (iii) If the other party does not agree to mediate, that fact may be brought to the attention of the Tribunal and may be taken into account by the Tribunal when allocating the costs of the arbitration as between the parties.
- (iv) The mediation shall not affect the right of either party to seek such relief or take such steps as it considers necessary to protect its interest.
- (v) Either party may advise the Tribunal that they have agreed to mediation. The arbitration procedure shall continue during the conduct of the mediation but the Tribunal may take the mediation timetable into account when setting the timetable for steps in the arbitration.
- (vi) Unless otherwise agreed or specified in the mediation terms, each party shall bear its own costs incurred in the mediation and the parties shall share equally the mediator's costs and expenses.
- (vii) The mediation process shall be without prejudice and confidential and no information or documents disclosed during it shall be revealed to the Tribunal except to the extent that they are disclosable under the law and procedure governing the arbitration.

(Note: The parties should be aware that the mediation process may not necessarily interrupt time limits.)

** Sub-clauses 42(a), 42(b) and 42(c) are alternatives; delete as appropriate, failing which sub-clause 42(a) shall apply. Sub-clause 42(d) shall apply in all cases.*

FERTICON 2007 - Fertiliser Voyage Charter Party

(d) War Risks (Voywar 2004)	340
(i) For the purpose of this Clause, the words:	341
1. "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and	342
2. "War Risks" shall include any actual, threatened or reported:	343
War; act of war; civil war; hostilities; revolution; rebellion; civil commotion; warlike operations; laying of mines; acts of piracy; acts of terrorists; acts of hostility or malicious damage; blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever); by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Vessel, her cargo, crew or other persons on board the Vessel.	344
(ii) If at any time before the Vessel commences loading, it appears that, in the reasonable judgement of the Master and/or the Owners, performance of the Contract of Carriage, or any part of it, may expose, or is likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks, the Owners may give notice to the Charterers cancelling this Contract of Carriage, or may refuse to perform such part of it as may expose, or may be likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks; provided always that if this Contract of Carriage provides that loading or discharging is to take place within a range of ports, and at the port or ports nominated by the Charterers the Vessel, her cargo, crew, or other persons onboard the Vessel may be exposed, or may be likely to be exposed, to War Risks, the Owners shall first require the Charterers to nominate any other safe port which lies within the range for loading or discharging, and may only cancel this Contract of Carriage if the Charterers shall not have nominated such safe port or ports within 48 hours of receipt of notice of such requirement.	345
(iii) The Owners shall not be required to continue to load cargo for any voyage, or to sign Bills of Lading for any port or place, or to proceed or continue on any voyage, or on any part thereof, or to proceed through any canal or waterway, or to proceed to or remain at any port or place whatsoever, where it appears, either after the loading of the cargo commences, or at any stage of the voyage thereafter before the discharge of the cargo is completed, that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo (or any part thereof), crew or other persons on board the Vessel (or any one or more of them) may be, or are likely to be, exposed to War Risks. If it should so appear, the Owners may by notice request the Charterers to nominate a safe port for the discharge of the cargo or any part thereof, and if within 48 hours of the receipt of such notice, the Charterers shall not have nominated such a port, the Owners may discharge the cargo at any safe port of their choice (including the port of loading) in complete fulfilment of the Contract of Carriage. The Owners shall be entitled to recover from the Charterers the extra expenses of such discharge and, if the discharge takes place at any port other than the loading port, to receive the full freight as though the cargo had been carried to the discharging port and if the extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route, the Owners having a lien on the cargo for such expenses and freight.	352
(iv) If at any stage of the voyage after the loading of the cargo commences, it appears that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo, crew or other persons on board the Vessel may be, or are likely to be, exposed to War Risks on any part of the route (including any canal or waterway) which is normally and customarily used in a voyage of the nature contracted for, and there is another longer route to the discharging port, the Owners shall give notice to the Charterers that this route will be taken. In this event the Owners shall be entitled, if the total extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route.	353
(v)	354
1. The Owners may effect war risks insurance in respect of the Hull and Machinery of the Vessel and their other interests (including, but not limited to, loss of earnings and detention, the crew and their Protection and Indemnity Risks), and the premiums and/or calls therefor shall be for their account.	355
2. “NIPPONGRAIN” Charter Party

24. Lien
The Owners shall have a lien on the cargo and all subfreight payable in respect of the cargo for all freight, dead freight, demurrage, general average and salvage.

25. Assignment
(a) The Charterers shall have the privilege of transferring or assigning all or part of this Charter Party to others, guaranteeing to the Owners the due fulfilment of this Charter Party.
(b) The Owners shall have the privilege of transferring or assigning all or part of this Charter Party to others, guaranteeing to the Charterers the due fulfilment of this Charter Party.

26. General Average
General Average shall be adjusted and settled in Tokyo according to the York/Antwerp Rules, 1994 or any modification thereof.

27. New Jason Clause
Where the adjustment is made in accordance with the law and practice of the United States of America, the following clause shall apply:
In the event of accident, danger, damage or disaster before or after the commencement of the voyage, resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequences of which, the carrier is not responsible, by statute, contract or otherwise, the goods, shippers, consignees or owners of the goods shall contribute with the carrier in general average to the payment of any sacrifice, losses or expenses of a general average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the goods.
If a salving ship is owned or operated by the carrier, salvage shall be paid for as fully as if the said salving ship or ships belonged to strangers. Such deposit as the carrier or his agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the goods, shippers, consignees or owners of the goods to the carrier before delivery.
and the Charterers shall procure that all Bills of Lading issued under this Charter Party shall contain the same clause.

28. Arbitration
Any dispute arising out of or in connection with this Charter Party shall be submitted to arbitration held in Tokyo by the Tokyo Maritime Arbitration Commission (TOMAC) of The Japan Shipping Exchange, Inc. in accordance with the Rules of TOMAC and any amendment thereto, and the award given by the arbitrators shall be final and binding on both parties.

29. Exceptions Clause
It is mutually agreed that the Owners shall not be liable for loss or damage occasioned by causes beyond their control, by the perils of the seas or other waters, by fire from any cause, wheresoever occurring, by barratry of the Master or crew, by enemies, pirates or robbers, by arrest and restraint of Princes, rulers or people, by explosion, bursting of boilers, breakage of shafts or any latent defect in hull, machinery or appurtenances, by collisions, stranding or other accidents of navigation of whatsoever kind (even when occasioned by the negligence, default or error in judgment of the pilot, Master, mariners or other servants of the Owners, not resulting, however, in any case, from want of due diligence by the Owners or any of them, or by the Ship's Husband or Manager).

30. War Risks ("Voywar 1993")
(a) For the purpose of this clause, the words:
(i) The "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and
(ii) "War Risks" shall include any war (whether actual or threatened), act of war, civil war, hostilities, revolution, rebellion, civil commotion, warlike operations, the laying of mines (whether actual or reported), acts of piracy, acts of terrorists, acts of hostility or malicious damage, blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargos or crews or otherwise howsoever), by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Vessel, her cargo, crew or other persons on board the Vessel.
(b) If at any time before the Vessel commences loading, it appears that, in the reasonable judgement of the Master and/or the Owners, performance of this Charter Party, or any part of it, may expose, or is likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks; provided always that if this Charter Party provides that loading or discharging is to take place within a range of ports, and at the port or ports nominated by the Charterers the Vessel, her cargo, crew, or other persons on board the Vessel may be exposed, or may be likely to be exposed, to War Risks, the Owners shall first require the Charterers to nominate any other safe port which lies within the range for loading or discharging, and may only cancel this Charter Party if the Charterers shall not have nominated such safe port or ports within 48 hours of receipt of notice of such requirement.
(c) The Owners shall not be required to continue to load cargo for any voyage, or to sign Bills of Lading for any port or place, or to proceed or continue on any voyage, or on any part thereof, or to proceed through any canal or waterway, or to proceed to or remain at any port or place whatsoever, where it appears, either after the loading of the cargo commences, or at any stage of the voyage thereafter before the discharge of the cargo is completed, that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo (or any part thereof), crew or other persons on board the Vessel (or any one or more of them) may be, or are likely to be, exposed to War Risks. If it should so appear, the Owners may by notice request the Charterers to nominate a safe port for the discharge of the cargo or any part thereof, and if within 48 hours of the receipt of such notice, the Charterers shall not have nominated such a port, the Owners may discharge the cargo at any safe port of their choice (including the port of loading) in complete fulfilment of this Charter Party. The Owners shall be entitled to recover from the Charterers the extra expenses of such discharge and, if the discharge takes place at any port other than the loading port, to receive the full freight as though the cargo had been carried to the discharging port and if the extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route, the Owners having a lien on the cargo for such expenses and freight.
(d) If at any stage of the voyage after the loading of the cargo commences, it appears that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo, crew or other persons on board the Vessel may be, or are likely to be, exposed to War Risks on any part of the route (including any canal or waterway) which is normally and customarily used in a voyage of the nature contracted for, and

there is another longer route to the discharging port, the Owners shall give notice to the Charterers that this route will be taken. In this event the Owners shall be entitled, if the total extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route.

(e) The Vessel shall have liberty:
(i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery or in any way whatsoever which are given by the Government of the Nation under whose flag the Vessel sails, or other Government to whose laws the Owners are subject, or any other Government which so requires, or any body or group acting with the power to compel compliance with their orders or directions;
(ii) to comply with the orders, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance;
(iii) to comply with the terms of any resolution of the Security Council of the United Nations, any directives of the European Community, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;
(iv) to discharge at any other port any cargo or part thereof which may render the Vessel liable to confiscation as a contraband carrier;
(v) to call at any other port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment or other sanctions;
(vi) where cargo has not been loaded or has been discharged by the Owners under any provisions of this Clause, to load other cargo for the Owners' own benefit and carry it to any other port or ports whatsoever, whether backwards or forwards or in a contrary direction to the ordinary or customary route.

(f) If in compliance with any of the provisions of sub-clauses (b) to (e) of this Clause anything is done or not done, such shall not be deemed to be a deviation, but shall be considered as due fulfilment of this Charter Party.

31. Strike Clause
(a) If the cargo cannot be loaded by reason of riots, civil commotions or of a strike or lock-out of any class of workmen essential to the loading of the cargo, or by reason of obstructions or stoppages beyond the control of the Charterers caused by riots, civil commotions or a strike or lock-out on the railways, or in the docks, or other loading places, the time for loading shall not count during the continuance of such causes, provided that a strike or lock-out of the Shippers' men shall not prevent demurrage from accruing if by the use of reasonable diligence they could have obtained other suitable labour at rates current before the strike or lock-out.
(b) If the cargo cannot be discharged by reason of riots, civil commotions, or of a strike or lock-out of any class of workmen essential to the discharge, the time for discharging shall not count during the continuance of such causes, provided that a strike or lock-out of the Charterers/Receivers' men shall not prevent demurrage from accruing if by the use of reasonable diligence they could have obtained other suitable labour at rates current before the strike or lock-out.
(c) For the purpose of settling despatch accounts, any time lost by the Vessel through any of the above causes at loading port(s) and/or discharging port(s), as the case may be, shall be counted only as time used in loading and/or in discharging.
(d) In case of any delay by reason of the above causes (except the Vessel being already on demurrage), no claim for damages or demurrage shall be made by the Charterers/Receivers of the cargo, or the Owners.
(e) Except for the cases described in the above sub-clauses (a) through (d), neither the Charterers nor the Owners shall be responsible for the consequences of any strikes or lock-outs preventing or affecting the actual loading or discharging of the cargo.

32. P&I Bunker Clause
The Vessel shall have the liberty as part of the contract voyage to proceed to any port(s) at which bunker oil is available for the purpose of bunkering at any stage of the voyage whatsoever and whether such ports are on or off the direct and/or customary route or routes between any of the ports of loading or discharge named in this Charter Party and may there take oil bunkers in any quantity in the discretion of the Owners even to the full capacity of fuel tanks and deep tanks and any other compartment in which oil can be carried, whether such amount is or is not required for the chartered voyage.

33. Both to Blame Collision Clause
If the liability for any collision in which the Vessel is involved while performing this Charter Party falls to be determined in accordance with the laws of the United States of America, the following clause shall apply:
If the Vessel comes into collision with another ship as a result of the negligence of the other ship and any act, neglect or default of the Master, mariner, pilot or the servants of the Owners in the navigation or in the management of the Vessel, the owners of the goods carried hereunder will indemnify the Owners against all loss or liability to the other or non-carrying ship or her owners in so far as such loss or liability represents loss of or damage to or any claim whatsoever of the owners of the said goods, paid or payable by the other or non-carrying ship or her owners to the owners of the said goods and set off, recouped or recovered by the other or non-carrying ship or her owners as part of their claim against the Vessel or the Owners.
The foregoing provisions shall also apply where the owners, operators or those in charge of any ship or ships or objects other than, or in addition to, the colliding ships or objects are at fault in respect to a collision or contact.
and the Charterers shall procure that all Bills of Lading issued under this Charter Party shall contain the same clause.

34. Paramount Clause
It is also mutually agreed that all Bills of Lading issued under this Charter Party shall be deemed to incorporate the above clauses as well as containing the following clause(s):
[U.S.A. Clause Paramount, delete if inapplicable]
This Bill of Lading shall have effect subject to the provisions of the Carriage of Goods by Sea Act of the United States, approved April 16, 1936, which shall be deemed to be incorporated herein, and nothing herein contained shall be deemed a surrender by the Owners of any of its rights or immunities or an increase of any of its responsibilities or liabilities under said Act. If any term of this Bill of Lading is repugnant to said Act to any extent, such term shall be void to that extent but no further.
[Canadian Clause Paramount, delete if inapplicable]
This Bill of Lading, so far as it relates to the carriage of goods by water, shall have effect, subject to the provisions of the Carriage of Goods by Water Act (R.S.C. 1985, c. C-27), enacted by the Parliament of the Dominion of Canada, which shall be deemed to be incorporated herein, and nothing herein contained shall be deemed a surrender by the Owners of any of its rights or immunities, or an increase of any of its responsibilities or liabilities under said Act. If any term of this Bill of Lading is repugnant to said Act to any extent, such term shall be void to that extent but no further.

PART II

"GENTIME" General Time Charter Party

It is agreed on the date shown in Box 1 between the party named in Box 2 as Owners/ Disponent Owners (hereinafter called "the Owners") of the Vessel named in Box 4, of the description stated in Box 5 and the party named in Box 3 as Charterers as follows:

1. Period and Delivery

- (a) Period - In consideration of the hire stated in Box 24 the Owners let and the Charterers hire the Vessel for the period/trip(s) stated in Box 6.
The Charterers shall have the option to extend the Charter Party by the period(s)/ trip(s) stated in Box 7 which option shall be exercised by giving written notice to the Owners on or before the date(s) stated in Box 7.
Unless otherwise agreed, the Charterers shall have the option to increase or to reduce the final period of the Charter Party by up to the number of days stated in Box 6(a), which shall be applied only to the period finally declared.
- (b) Delivery Place - The Owners shall deliver the Vessel to the Charterers at the port or place stated in Box 8 or a port or place within the range stated in Box 8.
- (c) Delivery Time - Delivery shall take place no earlier than the date/time stated in Box 9 and no later than the date/time stated in Box 10. Delivery shall be effected at any time day or night, Saturdays, Sundays and holidays included.
- (d) Cancellation - Should the Vessel not be delivered by the date/time stated in Box 10 the Charterers shall have the option to cancel the Charter Party without prejudice to any claims the Charterers may otherwise have on the Owners under the Charter Party. If the Owners anticipate that, despite their exercise of due diligence, the Vessel will not be ready for delivery by the date/time stated in Box 10, they may notify the Charterers in writing, stating the anticipated new date of readiness for delivery, proposing a new cancelling date/time and requiring the Charterers to declare whether they will cancel or will take delivery of the Vessel. Should the Charterers elect not to cancel or should they fail to reply within two (2) working days (as applying at the Charterers' place of business) of receipt of such notification, then unless otherwise agreed, the proposed new cancelling date/time will replace the date/time stated in Box 10. This provision shall operate only once and should the Vessel not be ready for delivery at the new cancelling date/time the Charterers shall have the option of cancelling this Charter Party.
- (e) Notice(s) - The Owners shall give the Charterers not less than the number of days notice stated in Box 11 of the date/time on which the Vessel is expected to be delivered and shall keep the Charterers closely advised of possible changes in the Vessel's expected date/time of delivery. The Owners shall give the Charterers and/or their local agents notice of delivery when the Vessel is in a position to come on board.
- (f) Vessel's Condition - On arrival at the first port or place of loading the Vessel's holds shall be clean and in all respects ready to receive the intended cargo identified in Box 12, failing which the Vessel shall be off-hire from the time of rejection until she is deemed ready.
- (g) Charterers' Acceptance - Acceptance of delivery of the Vessel by the Charterers shall not prejudice their rights against the Owners under this Charter Party.

2. Trading Areas

- (a) Trading Limits - The Vessel shall be employed in lawful trades within Institute Warranty Limits (IWL) and within the trading limits as stated in Box 13 between safe ports or safe places where she can safely enter, lie always afloat, and depart.
- (b) Excepted Countries - The Owners warrant that at the time of delivery the Vessel will not have traded to any of the countries listed in Box 14.
- (c) Ice - The Vessel shall not be required to enter or remain in any icebound port or area, nor any port or area where lights, lightships, markers or buoys have been or are about to be withdrawn by reason of ice, nor where on account of ice there is risk that, in the ordinary course of events, the Vessel will not be able safely to enter and remain in the port or area or to depart after completion of loading or discharging. The Vessel shall not be obliged to force ice but, subject to the Owners' prior approval, may follow ice-breakers when reasonably required, with due regard to her size, construction and class. If, on account of ice, the Master considers it dangerous to remain at the port or place of loading or discharging for fear of the Vessel being frozen in and/or damaged he shall be at liberty to sail to any convenient place and there await the Charterers' new instructions.

3. Cargo - Restrictions and Exclusions

- (a) Lawful Cargoes - The Vessel shall be employed in carrying lawful cargo. Cargo of a hazardous, injurious, or noxious nature or IMO-classified cargo shall not be carried without the Owners' prior consent in which case it shall be carried only in accordance with the provisions of sub-clause (c) of this Clause.
- (b) Excluded Cargoes - Without prejudice to the generality of the foregoing, the following cargoes shall be excluded: livestock, arms, ammunition, explosives, nuclear and radioactive material other than radio-isotopes as described in sub-clause (d) of this clause and any other cargoes enumerated in Box 15.
- (c) Hazardous Cargoes - If the Owners agree that the Charterers may carry hazardous, injurious, noxious or IMO-classified cargo, the amount of such cargo shall be limited to the quantity indicated in Box 16 and the Charterers shall provide the Master with evidence that the cargo has been packed, labelled and documented and shall be loaded and stowed in accordance with IMO regulations, any mandatory local requirements and regulations and/or recommendations of the competent authorities of the country of the Vessel's registry. Failure to observe the foregoing shall entitle the Master to refuse such cargo or, if already loaded, to discharge it in the Charterers' time and at their risk and expense.
- (d) Radio-active Cargoes - Radio-isotopes, used or intended to be used for industrial, commercial, agricultural, medical or scientific purposes, may be carried subject to prior consent by the Owners and the Master, provided that they are not of such a category as to invalidate the Vessel's P & I cover.
- (e) Containers - If cargo is carried in ISO-containers such containers shall comply with the International Convention for Safe Containers.
- (f) Deck Cargo - Subject to the Master's prior approval, which shall not be unreasonably withheld, cargo may be carried on deck in accordance with the provisions of Clauses 17 (c) and 18.

4. Redelivery

- (a) Redelivery Place - The Charterers shall redeliver the Vessel to the Owners at the port or place stated in Box 17 or a port or place within the range stated in Box 17, in the same order and condition as when the Vessel was delivered, fair wear and tear excepted.
- (b) Acceptance of Redelivery - Acceptance of redelivery of the Vessel by the Owners shall not prejudice their rights against the Charterers under this Charter Party.
- (c) Notice - The Charterers shall give the Owners not less than the number of days notice stated in Box 18 indicating the port or place of redelivery and the expected date on which the Vessel is to be ready for redelivery.
- (d) Last Voyage - The Charterers warrant that they will not order the Vessel to commence a voyage (including any preceding ballast voyage) which cannot reasonably be expected to be completed in time to allow redelivery of the Vessel within the period agreed and declared as per Clause 1(a). If, nevertheless, such an order is given, the Owners shall have the option: (i) to refuse the order and require a substitute order allowing timely redelivery; or (ii) to perform the order without prejudice to their rights to claim damages for breach of charter in case of late redelivery. In any event, for the number of days by which the period agreed and declared as per Clause 1(a) is exceeded, the Charterers shall pay the market rate if this is higher than the rate stated in Box 24.

5. On/Off-hire Surveys

Joint on-hire and off-hire surveys shall be conducted by mutually acceptable surveyors at ports or places to be agreed. The on-hire survey shall be conducted without loss of time to the Charterers, whereas the off-hire survey shall be conducted in the Charterers' time. Survey fees and expenses shall be shared equally between the Owners and the Charterers.
Both surveys shall cover the condition of the Vessel and her equipment as well as quantities of fuels remaining on board. The Owners shall instruct the Master to co-operate with the surveyors in conducting such surveys.

6. Bunkers

- (a) Quantity at Delivery/Redelivery - The Vessel shall be delivered with about the quantity of fuels stated in Box 19 and, unless indicated to the contrary in Box 20, the Vessel shall be redelivered with about the same quantity, provided that the quantity of fuels at redelivery is at least sufficient to allow the Vessel to safely reach the nearest port at which fuels of the required type or better are available.
- (b) Bunkering prior to Delivery and Redelivery - Provided that it can be accomplished at scheduled ports, without hindrance to the operation of the Vessel, and by prior arrangement between the parties, the Owners shall allow the Charterers to bunker for the account of the Charterers prior to delivery and the Charterers shall allow the Owners to bunker for the account of the Owners prior to redelivery.
- (c) Purchase Price - The Charterers shall purchase the fuels on board at delivery at the price stated in Box 21 and the Owners shall purchase the fuels on board at redelivery at the price stated in Box 22. The value of the fuel on delivery shall be paid together with the first instalment of hire.
- (d) Bunkering - The Charterers shall supply fuel of the specifications and grades stated in Box 23. The fuels shall be of a stable and homogeneous nature and unless otherwise agreed in writing, shall comply with ISO standard 8217: 1996 or any subsequent amendments thereof as well as with the relevant provisions of Marpol. The Chief Engineer shall co-operate with the Charterers' bunkering agents and fuel suppliers and comply with their requirements during bunkering, including but not limited to checking, verifying and acknowledging sampling, readings or soundings, meters etc. before, during and/or after delivery of fuels. During delivery four representative samples of all fuels shall be taken at a point as close as possible to the Vessel's bunker manifold. The samples shall be labelled and sealed and signed by suppliers, Chief Engineer and the Charterers or their agents. Two samples shall be retained by the suppliers and one each by the Vessel and the Charterers. If any claim should arise in respect of the quality or specification or grades of the fuels supplied, the samples of the fuels retained as aforesaid shall be analysed by a qualified and independent laboratory.
- (e) Liability - The Charterers shall be liable for any loss or damage to the Owners caused by the supply of unsuitable fuels or fuels which do not comply with the specifications and grades set out in Box 23 and the Owners shall not be held liable for any reduction in the Vessel's speed performance and/or increased bunker consumption nor for any time lost and any other consequences arising as a result of such supply.

7. Vessel's Gear and Equipment

- (a) Regulations - The Vessel's cargo gear, if any, and any other related equipment shall comply with the law and national regulations of the countries to which the Vessel may be employed and the Owners shall ensure that the Vessel is at all times in possession of valid certificates to establish compliance with such regulations. Appendix A - Protective Clauses

A. WAR RISKS ("Voywar 1993")

- (1) For the purpose of this Clause, the words:
- (a) "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and
- (b) "War Risks" shall include any war (whether actual or threatened), act of war, civil war, hostilities, revolution, rebellion, civil commotion, warlike operations, the laying of mines (whether actual or reported), acts of piracy, acts of terrorists, acts of hostility or malicious damage, blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever), by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Vessel, her cargo, crew or other persons on board the Vessel.
- (2) If at any time before the Vessel commences loading, it appears that, in the reasonable judgement of the Master and/or the Owners, performance of the Contract of Carriage, or any part of it, may expose, or is likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks, the Owners may give notice to the Charterers cancelling this Contract of Carriage, or may refuse to perform such part of it as may expose, or may be likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks; provided always that if this Contract of Carriage provides that loading or discharging is to take place within a range of ports, and at the port or ports nominated by the Charterers the Vessel, her cargo, crew, or other persons on board the Vessel may be exposed, or may be likely to be exposed, to War Risks, the Owners shall first require the Charterers to nominate any other safe port which lies within the range for loading or discharging, and may only cancel this Contract of Carriage if the Charterers shall not have nominated such safe port or ports within 48 hours of receipt of notice of such requirement.
- (3) The Owners shall not be required to continue to load cargo for any voyage, or to sign Bills of Lading for any port or place, or to proceed or continue on any voyage, or on any part thereof, or to proceed through any canal or waterway, or to proceed to or remain at any port or place whatsoever, where it appears, either after the loading of the cargo commences, or at any stage of the voyage thereafter before the discharge of the cargo is completed, that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo (or any part thereof), crew or other persons on board the Vessel (or any one or more of them) may be, or are likely to be, exposed to War Risks. If it should so appear, the Owners may by notice request the Charterers to nominate a safe port for the discharge of the cargo or any part thereof, and if within 48 hours of the receipt of such notice, the Charterers shall not have nominated such a port, the Owners may discharge the cargo at any safe port of their choice (including the port of loading) in complete fulfilment of the Contract of Carriage. The Owners shall be entitled to recover from the Charterers the extra expenses of such discharge and, if the discharge takes place at any port other than the loading port, to receive the full freight as though the cargo had been carried to the discharging port and if the extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route, the Owners having a lien on the cargo for such expenses and freight.
- (4) If at any stage of the voyage after the loading of the cargo commences, it appears that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo, crew or other persons on board the Vessel may be, or are likely to be, exposed to War Risks on any part of the route (including any canal or waterway) which is normally and customarily used in a voyage of the nature contracted for, and there is another longer route to the discharging port, the Owners shall give notice to the Charterers that this route will be taken. In this event the Owners shall be entitled, if the total extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route.
- (5) The Vessel shall have liberty:-
 - (a) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery or in any way whatsoever which are given by the Government of the Nation under whose flag the Vessel sails, or other Government to whose laws the Owners are subject, or any other Government which so requires, or any body or group acting with the power to compel compliance with their orders or directions;
 - (b) to comply with the orders, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance;
 - (c) to comply with the terms of any resolution of the Security Council of the United Nations, any directives of the European Community, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;
 - (d) to discharge at any other port any cargo or part thereof which may render the Vessel liable to confiscation as a contraband carrier;
 - (e) to call at any other port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment or other sanctions;
 - (f) where cargo has not been loaded or has been discharged by the Owners under any provisions of this Clause, to load other cargo for the Owners' own benefit and carry it to any other port or ports whatsoever, whether backwards or forwards or in a contrary direction to the ordinary or customary route.
- (6) If in compliance with any of the provisions of sub-clauses (2) to (5) of this Clause anything is done or not done, such shall not be deemed to be a deviation, but shall be considered as due fulfilment of the Contract of Carriage.

B. CLAUSE PARAMOUNT

The International Convention for the Unification of Certain Rules of Law relating to Bills of Lading signed at Brussels on 24 August 1924 ("the Hague Rules") as amended by the Protocol signed at Brussels on 23 February 1968 ("the Hague-Visby Rules") and as enacted in the country of shipment shall apply to this Contract. When the Hague-Visby Rules are not enacted in the country of shipment, the corresponding legislation in the country of destination shall apply, irrespective of whether such legislation may only regulate outbound shipments.

When there is no enactment of the Hague-Visby Rules in either the country of shipment or in the country of destination, the Hague-Visby Rules shall apply to this Contract, save where the Hague Rules as enacted in the country of shipment or if no such enactment is in place the Hague Rules as enacted in the country of destination apply compulsorily to this Contract.

The Protocol signed at Brussels on 21 December 1979 ("the SDR Protocol 1979") shall apply where the Hague-Visby Rules apply whether mandatorily or by this Contract.

The Carrier shall in no case be responsible for loss of or damage to cargo arising prior to loading, after discharging, or while the cargo is in the charge of another carrier, or with respect to deck cargo and live animals.

C. GENERAL AVERAGE

General Average shall be adjusted and settled at a port or place in the option of the Carrier according to the York-Antwerp Rules, 1994 or any subsequent amendment thereto.

D. HIMALAYA CLAUSE

It is hereby expressly agreed that no servant or agent of the Carrier (including every independent contractor from time to time employed by the Carrier) shall in any circumstances whatsoever be under any liability whatsoever to the Charterers, Shippers, Consignees, owner of the goods or to any holder of a Bill of Lading issued under this Charter Party, for any loss, damage or delay of whatsoever kind arising or resulting directly or indirectly from any act, neglect or default on his part while acting in the course of or in connection with his employment.

Without prejudice to the generality of the foregoing provisions in this clause, every exemption, limitation, condition and liberty herein contained and every right, exemption from liability, defence and immunity of whatsoever nature applicable to the Carrier or to which the Carrier is entitled hereunder, shall also be available and shall extend to protect every such servant or agent of the Carrier acting as aforesaid.

For the purpose of all the foregoing provisions of this clause the Carrier is or shall be deemed to be acting as agents or trustees on behalf of and for the benefit of all persons who might be his servants or agents from time to time (including independent contractors as aforesaid) and all such persons shall to this extent be or be deemed to be parties to this contract.

E. NEW JASON CLAUSE

In the event of accident, danger, damage or disaster before or after the

"GENTIME" General Time Charter Party
Appendix A - Protective Clauses

commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequences of which, the Carrier is not responsible, by statute, contract, or otherwise, the goods, shippers, consignees, or owners of the goods shall contribute with the Carrier in general average to the payment of any sacrifices, losses, or expenses of a general average nature that may be made or incurred, and shall pay salvage and special charges incurred in respect of the goods.

If a salving vessel is owned or operated by the Carrier, salvage shall be paid for as fully as if salving vessel or vessels belonged to strangers. Such deposit as the Carrier or his agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the goods, shippers, consignees or owners of the goods to the Carrier before delivery.

F. BOTH-TO-BLAME COLLISION CLAUSE

If the Vessel comes into collision with another vessel as a result of the negligence of the other vessel and any act, neglect or default of the master, mariner, pilot or the servants of the Carrier in the navigation or in the management of the vessel, the owners of the goods carried hereunder will indemnify the Carrier against all loss or liability to the other or non-carrying vessel or her owners insofar as such loss or liability represents loss of, or damage to, or any claim whatsoever of the owners of said goods, paid or payable by the other or non-carrying vessel or her owners to the owners of said goods and set-off, recouped or recovered by the other or non-carrying vessel or her owners as part of their claim against the carrying Vessel or Carrier.

The foregoing provisions shall also apply where the owners, operators or those in charge of any vessels or objects other than, or in addition to, the colliding vessels or objects are at fault in respect to a collision or contact.

(a) Watchmen: The cost of compulsory shore gangway watchmen shall be borne by the Charterers throughout the currency of this Charter Party.

(b) Compulsory Garbage Removal: Compulsory garbage removal costs shall be borne by the Charterers unless garbage is actually discharged from the Vessel.

(c) Stowaways:

(i) The Charterers shall exercise due care and diligence in preventing stowaways from gaining access to the Vessel by means of secreting away in cargo or containers shipped by the Charterers.

(ii) If, despite the exercise of due care and diligence by the Charterers, stowaways have gained access to the Vessel by means of secreting away in the cargo and/or containers shipped by the Charterers, this shall amount to breach of this Charter Party for the consequences of which the Charterers shall be liable and shall hold the Owners harmless and shall keep them indemnified against all claims whatsoever which may arise and be made against them. Furthermore, all time lost and all expenses whatsoever and howsoever incurred, including fines, shall be for the Charterers' account and the Vessel shall remain on hire.

(iii) Should the Vessel be arrested as a result of the Charterers' breach of this Charter Party according to sub-clause (ii) above, the Charterers shall take all reasonable steps to secure that within a reasonable time, the Vessel is released and at their expense post bail or other security to obtain release of the Vessel.

(iv) If, despite the exercise of due care and diligence of the Owners, stowaways have gained access to the Vessel by means of other than secreting away in the cargo and/or containers shipped by the Charterers, all time lost and all expenses whatsoever and howsoever incurred, including fines, shall be for the Owners' account.

(v) Should the Vessel be arrested as a result of stowaways having gained access to the Vessel by means other than secreting away in the cargo and/or containers shipped by the Charterers, the Owners shall take all reasonable steps to secure that within a reasonable time, the Vessel is released and at their expense post bail or other security to obtain release of the Vessel.

(d) On/Off Hire Surveys: Joint on and off hire surveys shall be conducted by mutually acceptable surveyors at the Places of Delivery and Redelivery, respectively. The on hire survey shall be conducted in the Charterers' time. The off hire survey shall be in the Owners' time unless conducted simultaneously with the Charterers' operations. Both surveys shall cover the condition of the Vessel and her equipment as well as quantities of fuels remaining on board. The Owners shall instruct the Master to co-operate with the surveyors in conducting such surveys. The cost of on/off hire surveys shall be equally shared by the Owners and the Charterers.

(e) Sub-Contractors: In this Charter Party the term "sub-contractor" shall mean sub-contractors and their respective servants and agents.

(f) Claims Authority: The Charterers shall make no payment in excess of the amount stated in Box 28 in settlement of a claim for which they intend to seek recovery from the Owners without prior consultation with the Owners.

The Owners authorise the Charterers to grant extensions of time in respect of such claims provided the Charterers give the Owners immediate notice thereof.

(g) Personal Injury: The Charterers shall indemnify the Owners against any claims incurred by the Owners with respect to death or personal injury of crew members whilst carrying out repair works in accordance with Clause 20. The Charterers shall further indemnify the Owners against any claims for death or personal injury made by the Charterers' servants, agents or sub-contractors, unless and to the extent that such claims are caused or contributed to by the negligence of the crew.

19. Owners' Responsibilities/Liabilities

(a) Containers and Goods: The Owners shall be liable for loss, damage or expense in respect of containers and goods arising or resulting from:

- (i) their failure to exercise due diligence before and at the commencement of the voyage to make the Vessel seaworthy and to properly man, equip and supply her and make all parts of the Vessel in which containers and goods are carried fit and safe for their reception, carriage and preservation, unless the Charterers order containers or goods to be loaded in parts of the Vessel which the Master considers to be unfit, in which case the Charterers shall indemnify the Owners and hold them harmless;
- (ii) their failure to exercise due diligence to properly and carefully carry, keep and care for the containers and goods while on board the Vessel;
- (iii) unreasonable deviation from the voyage ordered or approved by the Charterers;
- (iv) defective lashing equipment supplied by the Owners or improper lashing pattern design;
- (v) their failure to exercise due diligence to ensure that at the commencement of the voyage the lashings are executed correctly and serviced during the voyage;
- (vi) their failure to exercise due diligence to maintain in good working order the lashings and securing equipment.

(b) Charterers' Cargo: If the cargo is the property of the Charterers, the Owners shall have the same responsibilities and benefits as they would have had under this Clause had the cargo been the property of a third party and carried under a bill of lading incorporating the Hague-Visby Rules.

(c) Personal Injury: Except as provided for in Clause 18(g) and unless caused or contributed to by the negligence of the Charterers, their servants, agents or sub-contractors or any defect in the Charterers' containers and/or goods and/or gear and/or equipment, the Owners shall indemnify the Charterers against any claims for death or personal injury having a direct connection with the operation of the Vessel.

(d) Limitation of Liability: Subject always to the Owners' right to limit liability under the applicable

limitation convention, the liability of the Owners to the Charterers for loss, damage or expense in respect of goods and containers as herein provided shall be limited as follows:

(i) In respect of goods liability shall be limited to SDR666.67 per package or unit or SDR2.00 per kilo of gross weight of the goods lost or damaged, whichever is the higher.

(ii) In respect of containers, liability shall be the reasonable cost of repair or the value of the container at the time of such loss or damage, whichever is the lesser. The value of a leased container is the value stated in the lease agreement and for an owned container it is its market value. For the purpose of this Charter Party containers not owned or leased by the Charterers shall be regarded as goods for liability purposes.

(e) Cargo Claim and Time Bar: Definition - For the purpose of this Clause 19(e), "Cargo Claim" means a claim for loss, damage, shortage (including slackage, ullage or pilferage), overcarriage of or delay to cargo including customs fines or fines in respect of such loss, damage, shortage, overcarriage or delay and includes:

- (i) any legal costs or interest claimed by the original claimant making such a claim;
- (ii) all legal, Club correspondents' and experts' costs reasonably incurred in the defence of or in the settlement of the claim made by the original claimant, but shall not include any costs of whatsoever nature incurred in making a claim or in seeking an indemnity under this Charter Party.

In respect of any Cargo Claims as between the Owners and the Charterers, brought under this sub-clause 19(e), unless extensions of time have been sought or obtained from one party by the other or notice of arbitration has been given by either party, such claim(s) shall be deemed to be waived and absolutely time barred upon the expiry of two years reckoned from the date when the cargo was or should have been delivered. When the Hamburg Rules apply compulsorily the above time bar shall be extended to three years.

(f) Limitation Proceedings: The Owners shall control and conduct any limitation proceedings on the joint behalf of the Owners and the Charterers. If successful, any unrecovered costs of such proceedings shall be borne equally between the Owners and the Charterers. If unsuccessful, the costs shall be borne by the party responsible under the terms of this Charter Party for the factor which caused the proceedings to fail. If more than one factor contributed and the Owners and the Charterers were each responsible for at least one factor the costs shall be borne equally.

20. Refrigerated Goods

In respect of integral refrigerated containers or any other container with any machinery for temperature/atmosphere control containing goods, the Owners shall only be responsible for the provision of electrical power (see Clause 11(e)). The Owners shall monitor and record the performance of all such units minimum once daily whilst on board in accordance with the Charterers' instructions and to repair and rectify any breakdown, fault or deficiency which may occur in respect of such units, using the resources on board the Vessel, however always subject to weather conditions. The Charterers shall furnish the Master with separate written instructions as regards the temperature setting of each reefer container and cooling/carriage instructions to be

PART II

maintained during the voyage. The Charterers shall
arrange for reefer repair kit and manuals to be placed
on board the Vessel which shall include specialised tools
and spare parts. Such repair kits shall be replenished
by the Charterers upon the Master's request.

If repair works are performed by the crew, all additional
expenses incurred by the Owners, including crew time
and spare parts not already supplied and paid for by
Charterers, shall be for the account of the Charterers
and during the performance of the repair work the crew
shall be considered as the Charterers' servants. The
Charterers to pay for such works as stated in Box 30.
If, however, resources on board are still insufficient,
the Owners shall immediately notify the Charterers so
they may take action to obtain any required spares or
specialised repair facilities.

Except as provided above, the Owners shall not be liable
for malfunctioning of integral refrigerated containers and
power packs put on board by the Charterers.

The Owners shall be entitled to reject and require the
Charterers to discharge any container loaded at a
temperature not within the required carriage temperature
range. If, at the Charterers' request, the Owners consent
to receive and carry such container(s), the Charterers
shall hold the Owners harmless and indemnify them
against all consequences thereof and the Bills of Lading
shall be appropriately claused. In respect of blown-air
containers, the Owners shall be responsible only to
maintain the supply of air at the required temperature to
the containers, provided proper instructions are given to
the Master by the Charterers and the containers are
presented at the carriage temperatures.

21. Exceptions

As between the Owners and the Charterers,
responsibility for any loss, damage, delay or failure
of performance under this Charter Party not dealt with
in Clauses 18 and 19 shall be subject to the following
mutual exceptions:

Act of God, act of war, act of terrorism, civil
commotions, strike, lockouts, restraint of princes and
rulers, and quarantine restrictions.

In addition, any responsibility of the Owners not dealt
with in Clause 19 shall be subject to the following
exceptions:

Any act, neglect or default of the Master, pilots or other
servants of the Owners in the navigation or management
of the Vessel, fire or explosion not due to the personal
fault of the Owners or their manager, collision or
stranding, unforeseeable breakdown of or any latent
defect in the Vessel's hull, equipment or machinery.
The above provisions shall in no way affect the
provisions as to off-hire in this Charter Party.

22. Navigation

Nothing herein stated is to be construed as a demise of
the Vessel to the Charterers. The Owners shall remain
responsible for the navigation of the Vessel, acts of pilots
and tug boats, insurance, crew, and all other matters,
same as when trading for their own account.

23. Insurances

(a) Hull and Machinery: The Owners shall insure the
Vessel under Institute Time Clauses or similar clauses
for INL trading against loss, damage and collision
liabilities for the insured value as stated in Box 23. Upon
10 days notice to the Charterers, the Owners shall be
entitled to effect any reasonable change to the insured

value of the Vessel. The Charterers shall take out
insurance for Charterers' liability to hull for the insured
value of the Vessel. The Owners agree that their insured
value for the purpose of this Clause shall represent the
Charterers maximum liability to the Owners for damage
to the Vessel in accordance with Clause 16(h), including
time spent on repairs.

(b) Protection and Indemnity (P&I): The Owners and
the Charterers shall ensure that the Vessel is fully
covered with their respective P&I Clubs as indicated in
Boxes 26 and 27. The Owners and the Charterers shall
not change P&I Clubs without the prior written consent
of the other party, which shall not be unreasonably
withheld.

(c) War Risks: Notwithstanding the provisions of
Clause 25(d)(i), the Owners shall insure the Vessel
against War Risks and War P&I Risks for INL trading
areas but excluding any restricted or prohibited areas
or areas designated as a war zone and irrespective of
whether or not insurance may be available on payment
of an additional premium.

(d) Maintenance of Insurances: The Owners and
Charterers warrant that the above insurances will be
maintained with all calls paid up to date throughout the
currency of this Charter Party.

24. BIMCO Ice Clause for Time Charter Parties

(a) The Vessel shall not be obliged to force ice but,
subject to the Owners' approval having due regard to
its size, construction and class, may follow ice-breakers.

(b) The Vessel shall not be required to enter or remain
in any icebound port or area, nor any port or area where
lights, lightships, markers or buoys have been or are
about to be withdrawn by reason of ice, nor where on
account of ice there is, in the Master's sole discretion,
a risk that, in the ordinary course of events, the Vessel
will not be able safely to enter and remain at the port or
area or to depart after completion of loading or
discharging. If, on account of ice, the Master in his sole
discretion considers it unsafe to proceed to, enter or
remain at the place of loading or discharging for fear of
the Vessel being frozen in and/or damaged, he shall be
at liberty to sail to the nearest ice-free and safe place
and there await the Charterers' instructions.

(c) Any delay or deviation caused by or resulting from
ice shall be for the Charterers' account and the Vessel
shall remain on-hire.

(d) Any additional premiums and/or calls required by
the Vessel's underwriters due to the Vessel entering or
remaining in any icebound port or area, shall be for the
Charterers' account.

25. War Risks (CONWARTIME 2004)

(a) For the purpose of this Clause, the words:

(i) "Owners" shall include the shipowners, bareboat
charterers, disponent owners, managers or other
operators who are charged with the management
of the Vessel, and the Master; and

(ii) "War Risks" shall include any actual, threatened
or reported war, act of war, civil war, hostilities,
revolution, rebellion, civil commotion, warlike
operations, laying of mines, acts of piracy, acts of
terrorists, acts of hostility or malicious damage,
blockades (whether imposed against all vessels
or imposed selectively against vessels of certain
flags or ownership, or against certain cargoes or
crews or otherwise howsoever), by any person,
body, terrorist or political group, or the Government

- (g) If in accordance with their rights under the foregoing provisions of this Clause, the Owners shall refuse to proceed to the loading or discharging ports, or any one or more of them, they shall immediately inform the Charterers. No cargo shall be discharged at any alternative port without first giving the Charterers notice of the Owners' intention to do so and requesting them to nominate a safe port for such discharge. 12. Speed and Consumption

- (a) Upon delivery and throughout the duration of this Charter Party the Vessel shall be capable of speed and daily consumption rates as stated in Appendix A in good weather on all sea passages with wind up to and including Force four (4) as per the Beaufort Scale and sea state up to and including Sea State three (3) as per the Douglas Sea Scale (unless otherwise specified in Appendix A). Any period during which the Vessel's speed is deliberately reduced to comply with the Charterers' orders/requirements (unless slow steaming or eco speed warranties have been given in Appendix A) or for reasons of safety or while navigating within narrow or restricted waters or when assisting a vessel in distress or when saving or attempting to save life or property at sea, shall be excluded from performance calculations.
- (b) The Charterers shall have the option of using their preferred weather routing service. The Master shall comply with the reporting procedure of the Charterers' weather routing service and shall follow routing recommendations from that service provided that the safety of the Vessel and/or cargo is not compromised.
- (c) The actual route taken by the Vessel shall be used as the basis of any calculation of the Vessel's performance.
- (d) If the speed of the Vessel is reduced and/or fuel oil consumption increased, the Charterers may submit to the Owners a documented claim limited to the estimated time lost and/or the additional fuel consumed, supported by a performance analysis from the weather routing service established in accordance with this Clause. The cost of any time lost shall be off-set against the cost of any fuel saved and vice versa.
- (e) In the event that the Owners contest such claim then the Owners shall provide copies of the Vessel's deck logs for the period concerned and the matter shall be referred to an independent expert or alternative weather service selected by mutual agreement, whose report shall take Vessel's log data and the Charterers'

NYPE 2015 TIME CHARTER

weather service data into consideration and whose determination shall be final and binding on the parties. The cost of such expert report shall be shared equally.

13. Spaces Available

- (a) The whole reach of the Vessel's holds, decks, and other cargo spaces (not more than she can reasonably and safely stow and carry), also accommodation for supercargo, if carried, shall be at the Charterers' disposal, reserving only proper and sufficient space for the Vessel's Master, officers, ratings, tackle, apparel, furniture, provisions, stores and bunkers.
- (b) In the event of deck cargo being carried, the Owners are to be and are hereby indemnified by the Charterers for any loss and/or damage and/or liability of whatsoever nature howsoever caused to the deck cargo which would not have arisen had the deck cargo not been loaded. Bills of Lading shall be issued as per Clause 31(c).

14. Supercargo

The Charterers are entitled to appoint a supercargo, who shall accompany the Vessel at the Charterers' risk and see that voyages are performed with due despatch. He is to be furnished with free accommodation and meals same as provided for the Master's table. The Charterers and the supercargo are required to sign the standard letter of waiver and indemnity recommended by the Vessel's Protection and Indemnity Association before the supercargo comes on board the Vessel.

15. Sailing Orders and Logs

The Charterers shall furnish the Master from time to time with all requisite instructions and sailing directions, in writing, in the English language, and the Master shall keep full and correct deck and engine logs of the voyage or voyages, which are to be patent to the Charterers or their agents, and shall furnish the Charterers, their agents or supercargo, when required, with a true copy of such deck and engine logs, showing the course of the Vessel, distance run and the consumption of bunkers. Any log extracts required by the Charterers shall be in the English language.

16. Cargo Exclusions

The Vessel shall be employed in carrying lawful merchandise, excluding any goods of a dangerous, injurious, flammable or corrosive nature unless carried in accordance with the requirements or recommendations of the competent authorities of the country of the Vessel's registry, and of ports of loading and discharge, and of any intermediate countries or ports through whose waters the Vessel must pass. Without prejudice to the generality of the foregoing in addition the following are specifically excluded: livestock of any description, arms, ammunition, explosives, nuclear and radioactive material, .

17. Off-Hire

In the event of loss of time from deficiency and/or default and/or strike of officers or ratings, or deficiency of stores, fire, breakdown of, or damage to hull, machinery or equipment, grounding, detention by the arrest of the Vessel, (unless such arrest is caused by events for which the Charterers, their sub-charterers, servants, agents or sub-contractors are responsible), or detention by Port State control or other competent authority for Vessel deficiencies, or detention by average accidents to the Vessel or cargo, unless resulting from inherent vice, quality or defect of the cargo, drydocking for the purpose of examination, cleaning and/or painting of underwater parts and/or repair, or by any other similar cause preventing the full working of the Vessel, the payment of hire and overtime, if any, shall cease for the time thereby lost. Should the Vessel deviate or put back during a voyage, contrary to the orders or directions of the Charterers, for any reason other than accident to the cargo or where permitted in Clause 22 (Liberties) hereunder, the hire to be suspended from the time of her deviating or putting back until she is again in the same or equidistant position from the destination and the voyage resumed therefrom. All bunkers used by the Vessel while off-hire shall be for the Owners' account. In the event of the Vessel being driven into port or to anchorage through stress

NYPE 2015 TIME CHARTER

of weather, trading to shallow harbors or to rivers or ports with bars, any detention of the Vessel and/or expenses resulting from such detention shall be for the Charterers' account. If upon the voyage the speed be reduced by defect in, or breakdown of, any part of her hull, machinery or equipment, the time so lost, and the cost of any extra bunkers consumed in consequence thereof, and all extra proven expenses may be deducted from the hire. Bunkers used by the Vessel while off-hire and the cost of replacing same shall be for the Owners' account and therefore deducted from the hire.

18. Pollution

The Owners shall provide for standard oil pollution coverage equal to the level customarily offered by the International Group of P&I Clubs, together with the appropriate certificates to that effect. (See also Clause 6 (Owners to Provide)).

19. Drydocking

The Vessel was last drydocked .

Except in case of emergency or under Clause 52(b), no drydocking shall take place during the currency of this Charter Party.

20. Total Loss

Should the Vessel be lost, money paid in advance and not earned (reckoning from the date of loss or being last heard of) shall be returned to the Charterers at once.

21. Exceptions

The act of God, enemies, fire, restraint of princes, rulers and people, and all dangers and accidents of the seas, rivers, machinery, boilers and navigation, and errors of navigation throughout this Charter Party, always mutually excepted.

22. Liberties

The Vessel shall have the liberty to sail with or without pilots, to tow and be towed, to assist vessels in distress, and to deviate for the purpose of saving life and property.

23. Liens

The Owners shall have a lien upon all cargoes, sub-hires and sub-freights (including deadfreight and demurrage) belonging or due to the Charterers or any sub-charterers, for any amounts due under this Charter Party, including general average contributions, and the Charterers shall have a lien on the Vessel for all monies paid in advance and not earned, and any overpaid hire or excess deposit to be returned at once.

The Charterers will not directly or indirectly suffer, nor permit to be continued, any lien or encumbrance, which might have priority over the title and interest of the Owners in the Vessel. The Charterers undertake that during the period of this Charter Party, they will not procure any supplies or necessities or services, including any port expenses and bunkers, on the credit of the Owners.

24. Salvage

All derelicts and salvage shall be for the Owners' and the Charterers' equal benefit after deducting the Owners' and the Charterers' expenses and crew's proportion.

2. Port or Place and Date of Delivery 10

The Vessel shall be delivered at _____. 11

The earliest date of delivery shall be _____. 12

If a range of ports is agreed, the port of delivery shall be in the Owners' option and shall be declared latest _____ 13
days prior to the earliest date of delivery. 14

The Owners shall give _____ days notice of estimated delivery date and _____ days notice of definite delivery 15
date. 16

3. Cancelling 17

(a) If the Vessel is not ready for delivery as per Clause 13 (Performance of the Vessel) of this Charter Party and at the 18
Charterers' disposal by midnight local time on _____ being the cancelling date, the Charterers shall be 19
entitled to cancel this Charter Party within 24 hours of expiry of the cancelling date or any new cancelling date as per 20
sub-clause (b) of this Clause. 21

(b) Should the Owners anticipate that, despite the exercise of due diligence, the Vessel will not be ready for delivery 22
by the cancelling date, they shall notify the Charterers thereof without delay stating the expected date when the Vessel 23
will be ready for delivery and asking whether the Charterers will exercise their option of cancelling the Charter Party, 24
or agree to a new cancelling date. 25

The Charterers shall declare such option within 2 working days after the receipt of the Owners' notice but in no event 26
later than 24 hours of expiry of the cancelling date as stated in sub-clause (a). If the Charterers do not exercise their 27
option of cancelling, then this Charter Party shall be deemed to be amended such that the 5th day after the new 28
readiness date stated in the Owners' notification to the Charterers shall be the new cancelling date. 29

The provisions of sub-clause (b) of this Clause shall operate only once, and in case of the Vessel's further delay, the 30
Charterers shall have the option of cancelling the Charter Party in accordance with sub-clause (a). 31

4. Port or Place of Redelivery 32

The Vessel, on the expiry of the Charter Party, shall be redelivered at _____ in the 33

safely depart therefrom. 35

The Charterers shall give _____ days notice of estimated redelivery date and place and _____ days notice of definite 36
redelivery date and place. 37

Should the Vessel be sent on a final voyage reasonably calculated to allow redelivery within the Charter Party period 38
at a port of redelivery as provided by this Charter Party, and the voyage is prolonged for reasons outside the Charterers' 39
control, and which they could not reasonably have foreseen or guarded against, the Charterers shall have the use of 40
the Vessel at the rate and on the conditions of this Charter Party for such extended time as may be required for 41
completion of said voyage and redelivery as aforesaid. 42

For the purpose of this Clause, "final voyage" shall be taken to include the ballast trip to the port or place of redelivery. 43

5. Bunkers on Delivery/Redelivery 44

The Charterers shall accept and pay for all bunkers on board at the time of delivery, and the Owners shall, on the expiry 45
of this Charter Party, pay for all bunkers remaining on board. The prices for the bunkers shall be those actually paid by 46

shall be sufficient to reach the nearest recognised bunkering port. 48

6. Trading Area 49

(a) The Charterers shall exercise due diligence to ensure that the Vessel shall be employed only for trading between 50
and at safe ports, places, berths, docks, anchorages and sub-marine pipe-lines or alongside lighters or other vessels, 51
always safely afloat, in such lawful trades as the Charterers or their Agents may direct, excluding trade to or from 52
countries subject to UN embargoes or to or from any of the following countries: 53
_____ 54
_____ 55

(b) The Charterers may only trade the Vessel outside International Navigating Limits with the Owners' prior consent, 56
not to be unreasonably withheld, and provided any additional insurance premium are paid by the Charterers. 57

(c) The Charterers shall not order the Vessel to undertake any voyage that would involve risk of seizure, capture or 58
penalty imposed by any Rulers or Governments. 59

(d) Notwithstanding anything contained in this or any other Clause in this Charter Party, the Charterers do not 60

**BIMCHEMTIME 2005 Time Charter Party
For Vessels Carrying Chemicals in Bulk**

warrant the safety of any place to which they order the Vessel and shall be under no liability in respect thereof except for loss or damage caused by their failure to exercise due diligence.

7. Hire

- (a) The Charterers shall pay hire at the rate of _____ per day or pro rata for part of a day from the time the Vessel is delivered to the Charterers until her redelivery to the Owners.
- (b) Payment of hire shall be made in full, per calendar month in advance to the Owners' specified bank account, less any documented expenditure incurred on behalf of the Owners. If hire is not paid as aforesaid, the Charterers shall pay interest at the rate of 0.1 per cent. per day on the amount outstanding from the due date until the date of payment.
- (c) Where there is a failure to pay hire by the due date, the Owners shall notify the Charterers in writing of such failure. Within _____ banking days (as recognised at the place of payment) of receipt of such notification the Charterers shall pay the amount due, failing which the Owners shall have the right to suspend the performance of any or all of their obligations under this Charter Party and/or to withdraw the Vessel. If the Owners elect to suspend performance of the Charter Party in respect of a particular late payment, they may still, notwithstanding that suspension of performance, withdraw the Vessel from the Charter Party in respect of that late payment provided they give a further twenty-four (24) hours' notice in writing of their intention to withdraw.
- Under no circumstances shall the act of suspending performance be construed as a waiver by the Owners of the right to withdraw in respect of the continuing failure to pay hire or any subsequent late payment of hire under this Charter Party. Throughout any period of suspended performance under this Clause, the Vessel is to be and shall remain on hire. The Charterers undertake to indemnify the Owners in respect of any liabilities incurred by the Owners under the bill of lading, waybill or any other contract of carriage as a consequence of the Owners' proper suspension of and/or withdrawal from any or all of their obligations under this Charter Party.
- (d) The final payment of hire shall be made for such length of time as the Charterers may reasonably estimate to be necessary to complete the last voyage within the Charter Period, less disbursements arranged by the Charterers for the Owners' account and the value of bunkers estimated to be on board at the time of redelivery. When the Vessel is redelivered to the Owners any difference shall be refunded to or paid by the Charterers as the case may require, but not later than three months after the redelivery of the Vessel.

OWNERS' RIGHTS AND OBLIGATIONS

8. Owners to Provide

The Owners shall provide a Tank Coating and/or Stainless Steel Resistance List which shall form part of this Charter Party specifying the products which are compatible with the coating and/or stainless steel.

The Owners shall provide and pay for all provisions, wages and all other expenses of the Master, Officers and Crew; also, except as otherwise provided in this Charter Party, for all insurance on the Vessel, for all deck, cabin and engine room stores, for all domestic water and for all fumigation expenses and de-ratisation exemption certificates. The Owners' obligations under this Clause extend to cover all liability for customs or import duties arising at any time during the performance of this Charter Party in relation to the personal effects of the Master, Officers and Crew, and in relation to the stores, provisions and other matters as aforesaid which the Owners are to provide and/or pay for and the Owners shall refund to the Charterers any sums they or their Agents may have paid or been compelled to pay in respect of such liability.

9. BIMCO Vetting and Inspection Clause for Chemical Tankers

- (a) The Owners shall, with the co-operation of the Charterers, arrange to have the Vessel inspected under the CDI and SIRE Vessel Inspection Programs and by the major Oil and Chemical companies as required.
- (i) The Owners warrant that on the day of delivery the Vessel has been vetted and is acceptable to:
- _____.
- The Owners shall exercise due diligence to maintain such acceptances throughout the currency of this Charter Party.
- (ii) The Owners declare that the Vessel has been vetted and is, to the best of their knowledge, acceptable on a case-by-case basis by:
- _____.
- The Owners shall exercise due diligence to maintain such acceptances throughout the currency of this Charter Party.
- (iii) The Owners shall exercise due diligence to obtain and thereafter maintain, throughout the currency of this Charter Party, acceptance of the Vessel by:
- _____.
- (b) Inspections by above named companies (including CDI and SIRE Inspections) to maintain or obtain acceptances shall be arranged by the Owners and costs for such inspections shall be for the Owners' account. If inspections by companies not named above are required by the Charterers, all costs for such inspections shall be for the Charterers' account.
- (c) The Owners shall on receipt of an Inspection Report promptly make their comments on such Reports available to the Charterers and arrange to have them entered into the respective databases.
- (d) If the Vessel, on the day of delivery, is a newbuilding without any major approvals or Inspections, then the Charterers shall allow the Owners reasonable time to arrange for the vetting and Inspection of the Vessel.
- (e) The Charterers shall assist the Owners to get relevant oil and chemical companies to vet the Vessel. If any of the major Oil and/or Chemical companies, including those named above, refuse to inspect the Vessel because they have no commercial interest in the Vessel or an inspector is not available, then the Owners shall not be held liable and sub-

For Vessels Carrying Chemicals in Bulk**

- clause (g) shall not apply. 125
- (f) The Vessel shall remain on-hire for the purpose of carrying out Inspections described in sub-clauses (a) and (b) 126
above. If the Vessel fails to be accepted following any such Inspections or achieves a CDI score below an agreed 127
minimum score of: _____ % (calculated as the average of the Statutory, Recommended and Desirable Sections), 128
then the cost for re-inspection will be for the Owners' account and the Vessel shall be off-hire for any time lost in having 129
her re-inspected. 130
- (g)(i) If the Vessel, despite the exercise of due diligence, fails to obtain or retain acceptances by any of the companies 131
listed in sub-clauses (a)(i), (ii) and (iii) above or the minimum CDI score stated in sub-clause (f), then the hire 132
shall be reduced by the amount of _____ per day for each company's non-acceptance and/or while the CDI 133
score remains below the agreed minimum. Each reduction in hire, as stated above, shall continue until the 134
corresponding company re-accepts the Vessel. If a reduction in hire is caused by a CDI score below the agreed 135
minimum, such reduction shall continue until the agreed minimum CDI score is achieved. The Owners shall 136
give the Charterers written notice when the Vessel has been prepared for and is eligible to the relevant companies 137
for re-vetting. If the Vessel is not re-vetted by the relevant companies within 30 days of receiving the Owners' 138
notice, reduction of hire shall cease. 139
- (ii) Should the Vessel when re-vetted or re-inspected still not obtain the acceptances required under sub-clause (a) 140
or the minimum CDI score required under sub-clause (f), the hire shall be reduced or continue at the reduced rate 141
as stated in sub-clause (g)(i) and the Charterers may notify the Owners that unless the situation has been rectified 142
within 90 days, the Charterers shall have the right to cancel this Charter Party. Such right to cancel shall be 143
exercised by giving notice thereof within 3 working days after the expiry of the above rectification period. The 144
cancellation shall take effect as soon as the Vessel is free of existing cargo commitments. If the Charterers do not 145
exercise the right to cancel this Charter Party, the provisions of this Clause shall remain in full force and effect. 146
- (h) In case the non-acceptances of the Vessel result from the fact that the Vessel, following an accident, must perform 147
repairs to re-establish its condition as before the accident, the period of time in which the Vessel is off-hire due to such 148
accident and in which the repairs are carried out shall not be included in the periods of 30 and 90 days allowed to 149
Owners as per sub-clause (g) to restore the Vessel's acceptances lost for the reason of the accident. 150
- 10. Employment** 151
- (a) The Master shall be under the orders and direction of the Charterers as regards employment of the Vessel, 152
agency or other arrangements. 153
- (b) The Master shall prosecute all voyages with the utmost despatch unless ordered otherwise and shall render all 154
reasonable assistance with the Vessel's Officers and Crew who shall, if so required by the Charterers, and so far as 155
allowed, connect and disconnect fuel, cargo and water lines and hoses when placed on board the Vessel. 156
- (c) The Charterers shall, in good time, provide the Master with all requisite instructions and sailing directions. The 157
Master shall keep full and correct deck and engine room logs of the voyages and of all cargo handling, gas freeing and 158
cargo changing operations which shall be open to inspection by the Charterers or their Agents. Abstracts of such logs 159
shall, if so required by the Charterers, be forwarded to them at regular intervals. 160
- (d) If the Charterers have reason to be dissatisfied with the conduct of the Master, Officers or Engineers, the Owners, 161
on receiving particulars of the complaint, promptly to investigate the matter and, if necessary and practicable, to make 162
a change in the appointments. 163

to this Charter Party. 166
- All Bills of Lading or Waybills shall be without prejudice to this Charter Party and the Charterers shall indemnify the 167

any Bills of Lading or Waybills signed by the Charterers or by the Master at their request. 169
- 12. Cargo Temperature** 170
- The Owners warrant that the Vessel is capable of maintaining a cargo temperature of maximum _____ degrees 171
Celsius. Charterers warrant not to load cargo with a temperature exceeding _____ degrees Celsius. 172

complying with the Charterers' heating instructions. 174
- 13. Performance of the Vessel** 175
- (a) The Owners shall before and at the date of delivery of the Vessel under this Charter Party exercise due diligence 176
to make the Vessel 177
- (i) tight, staunch, strong and in every way fit for the service, with her hull, machinery, boilers and cargo installation in 178
good order and condition and with a full and efficient complement of Master, Officers and Crew for a Vessel of her 179
type and tonnage. 180
- (ii) in every way fit to carry the products listed in the Certificate of Fitness/Noxious Liquid Substances (NLS) Certificate 181
and any subsequent addendum thereto (subject always to the requirements of Clause 35(b) (Technical 182
Requirements)); and 183
- (b) The Owners warrant that at the date of delivery under this Charter Party the Vessel shall be of the description set 184
out in the TECHNICAL FORM annexed as Appendix B to this Charter Party. Further, the Owners undertake that throughout 185
the period of service under this Charter Party they will exercise due diligence to maintain or restore the Vessel as 186

hereof or not) requires steps to be taken to maintain the Vessel as described. 188

**BIMCHEMTIME 2005 Time Charter Party
For Vessels Carrying Chemicals in Bulk**

(c) <i>Speed and Consumption</i>	189
The Owners warrant that the Vessel is and shall remain capable of maintaining, throughout the Charter Period, the speeds and bunker consumptions for propulsion described in the TECHNICAL FORM under normal working conditions and in moderate weather (which for the purpose of this Clause shall exclude any periods of winds exceeding Force 4 on the Beaufort Scale). The Charterers shall have the right to make deductions from hire in respect of any time lost and any additional bunkers consumed by reason of the Vessel's failure to maintain the warranted capability.	190
In the event that the Vessel has in compliance with the Charterers' instructions lain at or off one or more ports or places for more than 30 consecutive days within any 60-day period, then the provisions of this Clause shall cease to apply in respect of speed and consumption until after the Vessel returns to service following its next drydocking. For the purpose of calculating speed and consumption under this Clause, all distances shall be measured from pilot station to pilot station.	191
(d) <i>Condition of Cargo Tanks on Delivery</i>	192
On delivery of the Vessel, the cargo tanks, pumps and piping systems shall be clean and gas-free with last 3 cargoes clean (undarker than 2.5 NPA) and un-leaded and ready for loading water-white chemicals.	193
14. Tank Cleaning and Sweeping	194
(a) <i>Tank Cleaning</i>	195
The cleaning of the Vessel's tanks shall be performed by the Vessel's crew in the Charterers' time but at any time, day and night or Sundays or Holidays included, weather and port regulations permitting, upon the Charterers' request. The Vessel shall be allowed sufficient time to clean the tanks taking into account the Vessel's cleaning capabilities as described in the TECHNICAL FORM; prior cargo; regulatory requirements; industry standards and practices; and/or cargo owners' requirements for the intended next cargo to be loaded.	196
The Charterers shall be entitled to require an inspection of the tank(s) by an independent surveyor after sufficient time for cleaning has been allowed. Should the tank(s) fail such inspection, the Vessel's crew shall continue to clean the tanks and make the tanks available for re-inspection as soon as possible. All time lost and costs for such additional cleaning shall be for the Owners' account.	197
The Master may request tank cleaning advice from the Charterers and the Charterers may also at their own initiative, give tank cleaning advice to the Vessel's Master. Where the Charterers issue specific tank cleaning advice, such advice shall comply with the stainless steel/coating manufacturers' resistance list.	198
The Charterers shall supply the necessary cleaning compounds, chemicals and cotton rags or similar, the cost of which shall be for the Charterers' account.	199
Any time/material used for passivation of stainless steel in cargo tanks after carriage of Phosphoric Acid, Sulphuric Acid or other similar cargoes shall be for the Charterers' account and passivation to be carried out at the discretion of the Owners / Master.	200
(b) <i>Sweeping</i>	201
The Vessel's crew is to perform sweeping (squeegeeing) of ship's tanks at request of the Charterers. The sweeping fee shall be _____ per cargo tank that requires sweeping. The sweeping fee shall be paid by the Charterers directly to the Master.	202
15. Compliance with Regulations	203
(a) The Owners warrant that at the date of delivery and throughout the currency of this Charter Party the Vessel shall be in possession of all valid documentation required to permit the Vessel to trade within the Trading Area defined in Clause 6 (Trading Area). However, notwithstanding the above, if such documentation cannot be obtained or renewed because of the Vessel's employment prior to delivery or during the Charter Period or because the Vessel is a newbuilding, the Owners shall not be deemed to be in breach of this Charter Party but the Vessel shall be off-hire for any loss of time incurred in obtaining or renewing such documentation.	204
(b) The Owners further warrant that the Vessel shall comply with the requirements of regulatory bodies applicable to the Vessel throughout the period of this Charter Party so far as it is practically possible, and provided such continued compliance shall not entail major structural alteration or addition to the Vessel.	205
(c) In the event that such continued compliance shall entail major structural alteration or addition to the Vessel, the Charterers shall have the right to put such work in hand at the earliest convenient opportunity with all costs for the Charterers' account. All the time taken in respect hereof shall count as time on hire and shall form part of the Charter Period.	206
Should the Charterers elect not to comply with the provisions of the first paragraph of this sub-clause (c), the Owners shall have the right to put such work in hand at the earliest convenient opportunity with all costs for the Owners' account. All the time taken in respect hereof shall not count as time on hire and shall not form part of the Charter Period.	207
In the event that neither party elects to undertake such work at their own expense and the parties fail to agree on a division of costs or adjusting the terms of this Charter Party within 60 days, then the Charterers shall within 7 days thereafter declare if they will maintain or cancel this Charter Party. In any event cancellation can only take effect not more than 30 days prior to the new regulations coming into force.	208

For Vessels Carrying Chemicals in Bulk**

Alcohol Onboard Ship. Under the Policy, alcohol impairment shall be defined as a blood alcohol content of 40 mg/100 ml or greater; the appropriate seafarers to be tested shall be all Vessel officers and the drug/alcohol testing and screening shall include unannounced testing in addition to routine medical examinations. An objective of the Policy should be that the frequency of the unannounced testing be adequate to act as an effective abuse deterrent, and that officers be tested at least once a year through a combined programme of unannounced testing and routine medical examinations. The Owners warrant that the Policy will remain in effect during the term of this Charter Party and that the Owners shall exercise due diligence to ensure that the Policy is complied with. It is understood that an actual impairment, or any test finding of impairment, shall not in and of itself mean the Owners have failed to exercise due diligence.

17. Cargo Segregation

The Owners warrant that the Vessel is constructed and equipped to load, carry and discharge with fully segregated tanks and cargo handling systems the number of different types and/or grades of cargoes stated in the TECHNICAL FORM annexed to this Charter Party. Should compliance with the Charterers' voyage orders be possible only by sharing any part of the cargo handling system, the Master shall notify the Charterers accordingly and the Owners shall thereafter not be held responsible for admixture, contamination or change in quality of the cargoes involved.

18. Employment of Pilots and Tugboats, etc.

The Owners hereby indemnify the Charterers, their servants and Agents against all losses, claims, responsibilities and liabilities arising in any way whatsoever from the employment of pilots or tugboats, who, although employed by the Charterers shall be deemed to be the servants and in the service of the Owners and under their instructions, but such indemnity shall not exceed the amount to which the Owners would have been entitled to limit their liability if they had themselves employed such pilots or tugboats.

19. Drydocking

(a)(i) It is agreed that the Owners shall have the right and obligation to drydock the Vessel at regular intervals in accordance with class requirements. The Owners shall give three months' notice of their intention to drydock the Vessel and the Charterers shall no later than two months thereafter offer to place the Vessel at the Owners' disposal as near as practicable to the Owners' preferred date. The Vessel shall be placed at the Owners' disposal free of cargo and gas-free for the purpose of drydocking at a port having suitable and available accommodation for the Vessel, including reception facilities for tank washings and residues, and the Owners shall then at their expense put the Vessel into drydock.

(ii) Time lost and expenses incurred in making tanks free of gas for the purpose of drydocking shall be for account of the Charterers provided the Owners shall have exercised due diligence to make the tanks free of gas before the arrival of the Vessel at the drydocking port or as soon as practicable thereafter. The Vessel shall be off-hire from the time of arrival at or off the drydocking port, or from arrival at the drydocking yard if the Vessel is loading, discharging or bunkering at that port, but provided due diligence is exercised as aforesaid any time lost thereafter in gas-freeing for the purpose aforesaid shall be excluded from the off-hire period and shall count as time on hire. The Vessel shall remain off-hire until she is again in every way ready to resume the Charterers' service at the position at which the off-hire period commenced, or at a position not less favourable to the Charterers.

(b) If the Owners require the Vessel, instead of proceeding to the offered port, to carry out periodical drydocking at an alternative port selected by them, the Vessel shall be off-hire from the time when the Vessel is released to proceed to the alternative port until the Vessel next presents for loading in accordance with the Charterers' instructions, provided, however, that the Charterers shall credit the Owners with the time which would have been taken on passage at the service speed had the Vessel not proceeded to drydock. All fuel consumed shall be paid for by the Owners but the Charterers shall credit the Owners with the value of the fuel which would have been used on such notional passage calculated at the guaranteed daily consumption for the service speed. The Owners shall not trade the Vessel for their own account during such periods.

20. Change of Class, Flag and Management

The Owners undertake that from the date of entering into this Charter Party the classification society, flag, ownership, management (whether technical or commercial) and P&I Insurers of the Vessel shall not change without the Charterers' prior consent, which shall not be unreasonably withheld. The Charterers' consent shall not prejudice any of their rights under Clause 9 (Vetting and Inspection). Without prejudice to any other right that the Charterers may have, a breach of this provision will entitle the Charterers to terminate this Charter Party, whereupon the Owners shall reimburse the Charterers with any hire paid in advance and not earned. Should the Charterers withhold consent under this Clause, then the Owners may require the Charterers to promptly identify to them an alternative acceptable to the Charterers.

21. Insurances

(g) If in accordance with their rights under the foregoing provisions of this Clause, the Owners shall refuse to proceed to the loading or discharging ports, or any one or more of them, they shall immediately inform the Charterers. No cargo shall be discharged at any alternative port without first giving the Charterers notice of the Owners' intention to do so and requesting them to nominate a safe port for such discharge. Failing such nomination by the Charterers within 48 hours of the receipt of such notice and request, the Owners may discharge the cargo at any safe port of their own choice.

(h) If in compliance with any of the provisions of sub-clauses (b) to (g) of this Clause anything is done or not done, such shall not be deemed a deviation, but shall be considered as due fulfilment of this Charter Party.

If, on account of ice, the Master in his sole discretion considers it unsafe to proceed to, enter or remain at the place of loading or discharging for fear of the Vessel being frozen in and/or damaged, he shall be at liberty to sail to the nearest ice-free and safe place and there await the Charterers' instructions.

(c) Any delay or deviation caused by or resulting from ice shall be for the Charterers' account and the Vessel shall remain on-hire.

Appendix A – Protective Clauses

A. BIMCO General Clause Paramount

The International Convention for the Unification of certain Rules of Law relating to Bills of Lading signed at Brussels on 24 August 1924 ("the Hague Rules") as amended by the Protocol signed at Brussels on 23 February 1968 ("the Hague-Visby Rules") and as enacted in the country of shipment shall apply to this Contract. When the Hague-Visby Rules are not enacted in the country of shipment, the corresponding legislation of the country of destination shall apply, irrespective of whether such legislation may only regulate outbound shipments.

When there is no enactment of the Hague-Visby Rules in either the country of shipment or in the country of destination, the Hague-Visby Rules shall apply to this Contract save where the Hague Rules as enacted in the country of shipment or if no such enactment is in place, the Hague Rules as enacted in the country of destination apply compulsorily to this Contract. The Protocol signed at Brussels on 21 December 1979 ("the SDR Protocol 1979") shall apply where the Hague-Visby Rules apply, whether mandatorily or by this Contract.

The Carrier shall in no case be responsible for loss of or damage to cargo arising prior to loading, after discharging or while the cargo is in the charge of another carrier, or with respect to deck cargo and live animals.

B. Both to Blame Collision Clause

If vessel comes into collision with another vessel as a result of the negligence of the other vessel and/or any act, neglect or default of the Master, mariner, pilot or the servants of the Carrier in the navigation or in the management of vessel, the owners of the cargo carried hereunder will indemnify the Carrier against all loss or liability to the other or non-carrying vessel or her Owners in so far as such loss or liability represents loss of, or damage to, or any claim whatsoever of the owners of the said cargo, paid or payable by the other or non-carrying vessel or her Owners to the owners of the said cargo and set off, recouped or recovered by the other or non-carrying vessel or her Owners as part of their claim against the carrying vessel or Carrier.

The foregoing provisions shall also apply where the Owners, operators or those in charge of any vessel or vessels or objects other than, or in addition to, the colliding vessels or objects are at fault in respect of a collision or contact.

C. General Average and New Jason Clause

General Average shall be adjusted, stated and settled according to York-Antwerp Rules 1994, in London unless another place is agreed in the Charter.

In the event of accident, danger, damage or disaster before or after the commencement of the voyage, resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequence of which, the Carrier is not responsible, by statute, contract or otherwise, the goods, Shippers, Consignees or owners of the goods shall contribute with the Carrier in general average to the payment of any sacrifices, losses or expenses of a general average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the goods.

If a salving ship is owned or operated by the Carrier, salvage shall be paid for as fully as if the said salving ship or ships belonged to strangers. Such deposit as the Carrier or his agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the goods, Shippers, Consignees or owners of the goods to the Carrier before delivery.

D. War Risks (VOYWAR 2004)

(a) For the purpose of this Clause, the words:

(i) "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and

(ii) "War Risks" shall include any actual, threatened or reported:

War; act of war; civil war; hostilities; revolution; rebellion; civil commotion; warlike operations; laying of mines; acts of piracy; acts of terrorists; acts of hostility or malicious damage; blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever); by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Vessel, her cargo, crew or other persons on board the Vessel.

(b) If at any time before the Vessel commences loading, it appears that, in the reasonable judgement of the Master and/or the Owners, performance of the Contract of Carriage, or any part of it, may expose, or is likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks, the Owners may give notice to the Charterers cancelling this Contract of Carriage, or may refuse to perform such part of it as may expose, or may be likely to expose, the Vessel, her cargo, crew or other persons on board the Vessel to War Risks; provided always that if this Contract of Carriage provides that loading or discharging is to take place within a range of ports, and at the port or ports nominated by the Charterers the Vessel, her cargo, crew, or other persons on board the Vessel may be exposed, or may be likely to be exposed, to War Risks, the Owners shall first require the Charterers to nominate any other safe port which lies within the range for loading or discharging, and may only cancel this Contract of Carriage if the Charterers shall not have nominated such safe port or ports within 48 hours of receipt of notice of such requirement.

(c) The Owners shall not be required to continue to load cargo for any voyage, or to sign Bills of Lading for any port or place, or to proceed or continue on any voyage, or on any part thereof, or to proceed through any canal or waterway, or to proceed to or remain at any port or place whatsoever, where it appears, either after the loading of the cargo commences, or at any stage of the voyage thereafter before the discharge of the cargo is completed, that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo (or any part thereof), crew or other persons on board the Vessel (or any one or more of them) may be, or are likely to be, exposed to War Risks. If it should so appear, the Owners may by notice request the Charterers to nominate a safe port for the discharge of the cargo or any part thereof, and if within 48 hours of the receipt of

**BIMCHEMTIME 2005 Time Charter Party
For Vessels Carrying Chemicals in Bulk**

such notice, the Charterers shall not have nominated such a port, the Owners may discharge the cargo at any safe port of their choice (including the port of loading) in complete fulfilment of the Contract of Carriage. The Owners shall be entitled to recover from the Charterers the extra expenses of such discharge and, if the discharge takes place at any port other than the loading port, to receive the full freight as though the cargo had been carried to the discharging port and if the extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route, the Owners having a lien on the cargo for such expenses and freight.

(d) If at any stage of the voyage after the loading of the cargo commences, it appears that, in the reasonable judgement of the Master and/or the Owners, the Vessel, her cargo, crew or other persons on board the Vessel may be, or are likely to be, exposed to War Risks on any part of the route (including any canal or waterway) which is normally and customarily used in a voyage of the nature contracted for, and there is another longer route to the discharging port, the Owners shall give notice to the Charterers that this route will be taken. In this event the Owners shall be entitled, if the total extra distance exceeds 100 miles, to additional freight which shall be the same percentage of the freight contracted for as the percentage which the extra distance represents to the distance of the normal and customary route.

(e)(i) The Owners may effect war risks insurance in respect of the Hull and Machinery of the Vessel and their other interests (including, but not limited to, loss of earnings and detention, the crew and their Protection and Indemnity Risks), and the premiums and/or calls therefor shall be for their account.

(ii) If the Underwriters of such insurance should require payment of premiums and/or calls because, pursuant to the Charterers' orders, or in order to fulfil the Owners' obligation under this Charter Party, the Vessel is within, or is due to enter and remain within, or pass through any area or areas which are specified by such Underwriters as being subject to additional premiums because of War Risks, then the actual premiums and/or calls paid shall be reimbursed by the Charterers to the Owners within 14 days after receipt of the Owners' invoice. If the Vessel discharges all of her cargo within an area subject to additional premiums as herein set forth, the Charterers shall reimburse the Owners for the actual additional premiums paid which may accrue from completion of discharge until the Vessel leaves such area or areas referred to above. The Owners shall leave the area as soon as possible after completion of discharge.

(f) The Vessel shall have liberty:

(i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery or in any way whatsoever which are given by the Government of the Nation under whose flag the Vessel sails, or other Government to whose laws the Owners are subject, or any other Government which so requires, or any body or group acting with the power to compel compliance with their orders or directions;

(ii) to comply with the orders, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance;

(iii) to comply with the terms of any resolution of the Security Council of the United Nations, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;

(iv) to discharge at any other port any cargo or part thereof which may render the Vessel liable to confiscation as a contraband carrier;

(v) to call at any other port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment or other sanctions;

(vi) where cargo has not been loaded or has been discharged by the Owners under any provisions of this Clause, to load other cargo for the Owners' own benefit and carry it to any other port or ports whatsoever, whether backwards or forwards or in a contrary direction to the ordinary or customary route.

(g) If in compliance with any of the provisions of sub-clauses (b) to (f) of this Clause anything is done or not done, such shall not be deemed to be a deviation, but shall be considered as due fulfilment of the Contract of Carriage.

E. Himalaya Clause

It is hereby expressly agreed that no servant or agent of the Carrier (including every independent contractor from time to time employed by the Carrier) shall in any circumstances whatsoever be under any liability whatsoever to the Shipper, Consignee or Owner of the goods or to any holder of this Bill of Lading for any loss, damage or delay of whatsoever kind arising or resulting directly or indirectly from any act, neglect or default on his part while acting in the course of or in connection with his employment and, without prejudice to the generality of the foregoing provisions in this Clause, every exemption from liability, defence and immunity of whatsoever nature applicable to the Carrier or to which the Carrier is entitled hereunder shall also be available and shall extend to protect every such servant or agent of the Carrier acting as aforesaid and for the purpose of all the foregoing provisions of this Clause the Carrier is or shall be deemed to be acting as agent or trustee on behalf of and for the benefit of all persons who are or might be his servants or agents from time to time (including independent contractors as aforesaid) and all such persons shall to this extent be or be deemed to be parties to the contract in or evidenced by this Bill of Lading.
